	15 hrs

Additional 3 hours of English 398 should be taken over the summer term.

6 hrs of Internship credit (English 398) are required for this sequence. Students need a minimum GPA of 2.75 and should contact Dr. James Kalmbach (kalmbach@ilstu.edu), Director of the Internship Program.

Please note: This plan of study assumes students will transfer to Illinois State with an Associates Degree. Total transfer hours applied to a degree program is 90 hours from a 4-year school or a combination of 2-year/4-year. Maximum from a 2-year school is 66 academic hours plus 4 hours PE activities. Students who have earned a baccalaureate-oriented associate degree from a regionally accredited institution in the United States will be considered to have met the General Education requirements.

Transfer students who will not have an Associates degree should meet with the English Department Advisor about an appropriate plan of study. The plan of study may be longer than two years.

*Foreign Language is determined by placement, students need to complete FL 115 to meet the BA requirement. Students are encouraged to complete their Foreign Language requirement prior to attending Illinois State University.

Students may need to take a Global Studies course, check with the English Department Advisor or on iCampus using the “progress towards degree” feature to see if the requirement has been met.
